Vallescope

Valley High School
Hot Springs,
Virginia
Volume XII

Foreword

"The entire object of true education is to make people not merely do the right thing, but enjoy the right things; not merely industrious, but to love industry; not merely learned, but to love knowledge; not merely pure, but to love purity; not merely just, but to hunger and thirst after justice"—Ruskin

The object of The 1969 Vallescope is to show the work, the activities, and the fun that have made a successful step toward "true education."

Class Poem

WE HAVE CLIMBED A MOUNTAIN

We have climbed a mountain–
This class of '69.
Our laughter is the sunshine;
Our tears, the waterfalls;
Our strength, the mighty rocks;
And our faith, the love of God.
We have climbed this mountain
Though sometimes we stumbled
And we fell;
And now we know that God
Has made our mountains
Only Hills.

511 Main Street — Clifton Forge, Virginia

Covington — Virginia

Like trees, most companies show their age.
So how does a growing company keep young?

With people. Skilled and trained.

Imaginative and motivated.

The best people we can get.

People who want to make Westvaco the best name in paper.

Who want to make Westvaco the best company to do business with.

That's one way to do it.

Come to think of it, it's about the only way.
